# **House Rules**

1. Visitors are very welcome. Please respect the Resident's personal preference with regards to the daily routine. Usually the hours are from 10 am to 8 pm. If a resident does not wish to have a visitor, then resident's wishes will be honored.
2. A telephone will be available at all times with consideration to other residents and the needs of each member of the household. Long distance calls are the responsibility of the resident. A separate line to the resident's room is recommended and would be the resident's responsibility.
3. We will respect and honor resident's need for privacy as much as possible. Personal property should be kept in the resident's bedroom and should be respected by all household members.
4. The volume on radios and TV sets is to be turned down at 8:00 p.m.
5. There are no pets allowed on the premises.
6. There is no smoking allowed on premises.
7. No alcohol is allowed on the premises.
8. There is not a set time for going to bed at night in the home. Every single resident will be able to choose what the best time is for him or her. Please respect others personal preference.
9. Residents must participate in full emergency evacuation drill once a year.
10. Residents may feel free to express their likes and dislikes in an agreeable manner and may expect the same courtesy from staff and other members of the household.
